Details:

Much like a typical summer camp, LEAD 12 participants will stay at Camp Caroline Sunday-Friday during their program weeks and will return home on weekends.

During the first two weeks of LEAD 12, LEAD campers will experience a ‘hands-on’ curriculum in servant leadership, including:

- group teaching sessions
- personal reflection
- team building activities
- service projects
- spiritual disciplines
- worship times

The third and final week of LEAD 12 will invite LEAD participants to return to Camp Caroline during the week of summer camp of their choosing to serve as a full-time summer camp staff member for that week. Most LEAD 12’s will be placed in cabins as Jr. Counselors, but other staff positions may be considered as available.
