

Getaways with greater purpose.

## Summer Camp

# Scholarship Policy

We don't want to see anyone miss out on the opportunity to experience a week at camp! If you or your child would not be able to attend summer camp without financial assistance, you are welcome to apply to the **Camp Caroline Scholarship Fund**, a fund into which many generous Camp Caroline supporters have donated, helping to make the camp experience available to as many as possible.

Because we want to be good stewards of the funds God has entrusted to us through these generous donors, we have put the following Scholarship Fund guidelines in place:

1. The Scholarship Fund is intended only to cover a portion of the camp fees for a camper.
2. All campers are required to pay the minimum \$50 deposit to hold their spot.
3. Additional camp option costs (outtrips, camp store, t-shirts, etc.) are not covered by the Scholarship Fund.
4. Campers who have received a scholarship may only attend one camp session per year.
5. While we would love to provide continual scholarship funding for a camper year after year, priority will be given to first time applicants. Returning campers are welcome to apply, but financial assistance is not guaranteed.
6. All personal information gathered through the Camp Caroline Scholarship Fund Application will be governed by Camp Caroline's Protection of Privacy Policy. Scholarship Fund applicants can view this policy on our website, [www.campcaroline.ab.ca/privacy-policy/](http://www.campcaroline.ab.ca/privacy-policy/).

For more information on how to apply, see the "Scholarship Fund" page of the "Camper Profile Form" during online registration. All requests will be carefully considered.

Come discover the warmth of our hospitality at Camp Caroline.
