

Thank you for continuing to pray and give. We have not stopped thanking God for you.

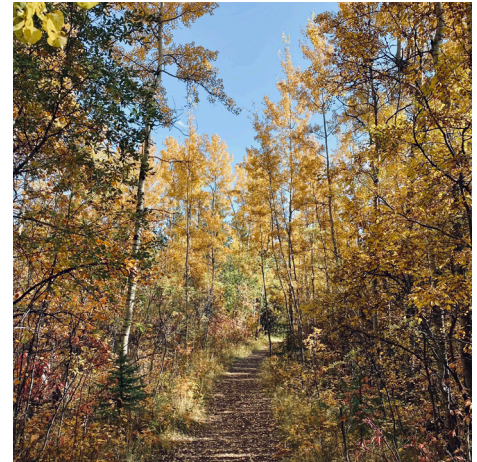

November 1, 2021

Hello from ALL of us at Camp Caroline!

While we were not able to host overnight camps for kids this summer, we were THRILLED to welcome families out for getaways with greater purpose. It was so good to share the summer with families from around the region.

In addition to serving families this summer, we were also able to invite emerging leaders out for 2 sessions of Lead Camps. Between both sessions we had 83 high school aged leaders spend the week together and were able to encourage and challenge them to continue growing in their faith and service.

Thank you for helping us serve these families and lead campers this summer! Thank you for continuing to pray and give. We are so grateful for all you invest in the ministry of Camp Caroline. We "have not stopped thanking God for you" (Ephesians 1:16).

## FALL/WINTER MINISTRY

In September, we stepped into our retreat ministry season. This fall we have been hosting retreats for churches and ministries located in central Alberta. (Schools that were scheduled for retreats at camp had to reschedule their retreat for 2022.) Retreats being held at camp are adhering to public health measures outlined by the province. While so many churches, ministries, and schools have not been able to host their retreat, we have been encouraged to have almost all of them book dates in 2022.

## SUMMER MINISTRY

In addition to hosting retreats this fall, we are also preparing for the upcoming summer ministry season. At this time, we are planning to resume overnight grade camps, lead camps, and family camps in 2022. Promotion for these camps, as well as recruitment for our summer staff, will begin in the new year.

## YEAR END GIFTS

Finally, if you would like to make a year end gift to the ministry of Camp Caroline, you can give online at [campcaroline.ab.ca/donation](http://campcaroline.ab.ca/donation). Gifts received this fall will be used to help us maintain appropriate cash flow, manage ongoing costs, and fund those areas most in need as we look ahead to the future. We continue to be so THANKFUL for how God has been meeting the needs of the ministry through the generous support of so many. I want to assure you that we are doing what we can to keep our operating costs down during this season. Thus far God has provided the necessary resources for us to manage our financial obligations and maintain cashflow without borrowing any funds. As you consider making a gift, we want to encourage you to first give to your church. If after giving to your church you have the means and desire to help camp financially, we welcome your gift this fall.

Thank you again for your continued commitment to the ministry of Camp Caroline.

Warmly,

Ben Trites, Executive Director
