PARENTAL PERMISSION FORM

AGREEMENT TO PARTICIPATE

Camping is a vigorous, energetic experience. Participants need to be physically capable of carrying out camp activities. Activities can include walking up to one mile, running and exploring along bush trails and creeks, water sports, games of strength, rigorous field and group games, high ropes course, zipline, using sharp craft tools, horseback riding at various gaits on the trail and in the ring, using bow and arrow, throwing axes, using playground equipment, hiking in mountainous terrain, playing paintball and laser tag, lake canoeing, whitewater rafting, power tubing, skating, going on hayrides, tobogganing/sledding, tubing, and travelling to and from activity sites in a vehicle. I/we, the undersigned, recognize that there are risks of injury and/or loss associated with such a camping program. Camp Caroline staff make the safety and well-being of each camp and participant a top priority, however, the possibility exists that injuries and/or loss could occur. Injuries and/or loss can range from minor cuts and abrasions to sprained joints, bee stings, animal attacks, major cuts, concussions, broken bones, and even death. With many people together in close proximity it is also possible for illness to transfer from one participant to another, which can include, but is not limited to, colds, flu, strep throat, and chicken pox. Should a participant become sick with a highly contagious illness, he/she will be separated from other campers and sent home.

EXPECTATIONS OF THE PARTICIPANT CAMPER

Participants are expected to listen carefully and to obey the rules given at the beginning of the camp session and at each activity session by the person(s) in charge, as well as to assist by calling attention to situations which may cause injury for oneself and other participants.

ASSUMPTION OF RESPONSIBILITY

I/we, the undersigned parent(s)/guardian(s), assume the responsibility for injuries to my/our child/children in my/our care while at Camp Caroline, and I/we will not bring an action for damages which might arise from these injuries.

MEDICAL PERMISSION & RELEASE

I/we have read Camp Caroline's current Stock Medications List (linked below) and give permission for the Camp Nurse to administer as needed the medications listed therein at the dosages listed therein (according to the instructions on the packaging), unless directed otherwise in the camper's written medical information supplied by their parent(s)/guardian(s) on their registration form or on day of arrival. I/we also give permission to the Camp Director and/or Camp Nurse to approve and obtain medical attention necessary to the camper's welfare and good health. If such a situation were to occur, the camp will attempt to notify the parent(s)/guardian(s) or other emergency contact(s) as soon as possible. In the case of accident or illness, the participant must pay for any emergency transport and hospital/physician/medical expenses.

I/We will not send our camper to Camp Caroline if anyone in our household shows signs of any contagious illness (vomiting, diarrhea, chickenpox/measles/rash, pink eye, cough, fever, runny nose, sore throat, or shortness of breath, etc.) not related to a known, non-contagious, pre-existing condition.

I/we, the undersigned parent(s)/guardian(s) of the registering camper, acknowledge that I/we have read and understood the above Medical Permission, Release, and Commitment.

I/we also give Camp Caroline permission to use pictures and/or videos that may be taken of the camper during the camp week for promotional purposes.
