**AGREEMENT TO PARTICIPATE:** Camping is a vigorous, energetic experience. Participants need to be physically capable of carrying out camp activities. Activities can include walking up to one mile, running and exploring along bush trails and creeks, water sports, power tubing, games of strength, rigorous field and group games, climbing wall, high ropes course, zipline, using sharp craft tools, horseback riding at various gaits on the trail and in the ring, using bow and arrow, throwing axes, using playground equipment, hiking in mountainous terrain, playing paintball and laser tag, lake canoeing, whitewater rafting, power tubing, skating, going on hayrides, tobogganing/sledding, tubing, and travelling to and from activity sites in a vehicle. I/we, the undersigned, recognize that there are risks of injury and/or loss associated with such a camping program. Camp Caroline staff make the safety and well-being of each camp and participant a top priority, however, the possibility exists that injuries and/or loss could occur. Injuries and/or loss can range from minor cuts and abrasions to sprained joints, bee stings, animal attacks, major cuts, concussions, broken bones, and even death. With many people together in close proximity it is also possible for illness to transfer from one participant to another; which can include, but is not limited to, colds, flu, strep throat, and chicken pox. Should a participant become sick with a highly contagious illness, he/she will be separated from other campers and sent home.

**EXPECTATIONS OF THE PARTICIPANT:** Participants are expected to listen carefully and to obey the rules given at the beginning of the camp session and at each activity session by the person(s) in charge, as well as to assist by calling attention to situations which may cause injury for oneself and other participants.

**ASSUMPTION OF RESPONSIBILITY:** I/we, the undersigned participant/parent/guardian, assume the responsibility for injuries to myself and/or my spouse and/or all children under my care while at Camp Caroline, and I/we will not bring an action against Camp Caroline for damages which arise from these injuries. I/we, the undersigned participant/parent/guardian, acknowledge that I/we have read the above paragraphs, and have completed the registration fully and truthfully. In the case of accident or illness, I/we must pay for any emergency transport and hospital/physician/medical expenses.

Our family will not come to Camp Caroline if anyone in our household shows signs of any contagious illness, is sick with cold-like symptoms (cough, fever, runny nose, sore throat, or shortness of breath) not related to a known pre-existing condition, has been in contact with a confirmed case of COVID-19 in the past 14 days, or has been out of the country 14 days before the camp session/visit.

I/We agree to participate in daily self-checks while attending Camp Caroline programs or events.

The COVID-19 virus pandemic remains an on-going threat. I/We understand that there is still a risk of exposure to the virus while my family attends Camp Caroline in spite of the precautions that have been taken by Camp Caroline in following directions outlined by local health authorities to mitigate exposure to the COVID-19 virus or to other communicable diseases. I/We further understand that those with a pre-existing condition may be more vulnerable to the virus.

**PHOTO/VIDEO RELEASE:** I/we also give Camp Caroline permission to use pictures and/or videos that may be taken of us during the camp session for promotional purposes.
